HOLLAND PLANT LIST

1947 - 48

TERMS AND CONDITIONS

1. Prices are quoted in Dollars: 5-24 at the 10 rate, 25-499 at the 100 rate and 500 or more at the 1000 rate.

2. Orders are accepted subject to crop failures, shortage, being unsold at the time and other causes beyond our control.

3. All merchandise is sold F. O. B. Boskoop, Holland and travels at purchaser's risk and expense.

4. All merchandise will be insured at buyers expense, unless definitely instructed not to do so.

5. The certificate of health issued by the Pathological Service of Holland, releases seller from all responsibility regarding health requirements.

6. Prices are net. All accounts are due sixty days from invoice date. Two percent may be deducted when cash accompanies order. Half of one percent will be charged per month on overdue accounts.

7. New accounts must furnish satisfactory credit references or furnish cash with order, less two percent.

8. The seller gives no warranty, express or implied, for the results of planting or forcing of any of the material sent out. He guarantees only the varieties to be true to name and will not be responsible for the result of planting. In case of error the seller shall be glad to refund the price of the purchase only, or plant material of like value.

9. Seller shall not be held responsible for failure to deliver on contracted date, if cause is beyond his control such as strikes or acts of God.

10. Claims to quality or quantity must be made eight days from receipt of merchandise.

11. Cancellations will be accepted when thirty percent of the order value accompanies the cancellation. If however, the damage through the cancellation is higher, the seller will prove such damage, the purchaser to refund the balance.

12. Alleged unfair dealings by Guldemon & Co. should be reported to Dr. W. F. Wery, The Hague, Holland, who is the secretary to the Holland Plant Exporters' Association. The seller agrees to make such redress as the secretary deems proper.
